Mr. S. Bolang Dishman

Your letter was received Feb 21st

I am a sister of W. L. Dishman of Essex Co he is dead
I am the only one of that family living. My brother left
3 or 4 boys but I have not seen but one of them. They
are all poor like myself. I hope God maybe Deben
in finding out a boat the money in California
or I have forgotten where I am 60 years old and I have no one
to look to any thing and I have had Rheumatism for over
22 years till I work some I get a small pension from the
Daughters of Conscience. I had a uncle by the name of
John Thorton Dishman who left Essex Co about
the year 1848 on a ship for California and was never
heard from when I was a child. I often ask my mother
about all my relatives she said my two grandfathers
was brothers one was name Samuel and the other was
name David and John they went South that was before
my day my father always said the family of Dishman
in King George County was no kind to him. I have written
you all that I can think of I hope to hear some good
news from you some future day
Yours Respectfully
~~James Dishman~~
